PROFESSIONAL SUMMARY

Motivated Full Stack and Mobile Application Developer with 1 year of learning-based internship experience in MERN stack (MongoDB, Express, React, Node.js) and React Native. Skilled in building responsive web applications, mobile user interfaces, and RESTful APIs through structured hands-on training projects. Committed to writing clean code and pursuing continuous skill enhancement in software architecture.

TECHNICAL SKILLS

Frontend & Mobile: React Native, React.js, Next.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS

Backend & Database: Node.js, Express.js, MongoDB, RESTful API Architecture

Developer Tools: Git, GitHub, Visual Studio Code, Postman, Microsoft Office

AI Tools & Platforms: OpenAI API, ChatGPT, Claude AI

Core Competencies: Full Stack Web Development, Mobile App Development, Cross-Platform UI/UX, Debugging

INTERNSHIPS

Fullstack Web Development Intern — Qbatzclay (Remote) Oct 2025 – Mar 2026

- Developed end-to-end web applications utilizing the MERN stack within a structured practical learning environment.
- Engineered responsive, user-centric frontend interfaces integrated with backend services and database APIs.
- Gained hands-on expertise in full-stack architecture, state management, and code optimization through practical training.

Full Stack Developer Intern — Unified Mentor Pvt. Ltd. (Remote) Mar 2025 – Sep 2025

- Built modular REST APIs and clean, responsive UI components using React, Node.js, Express, and MongoDB.
- Collaborated with team members to practice full-stack development best practices and component structuring.
- Completed six hands-on learning-based projects focused on optimizing user experience and backend efficiency.

PROJECTS

SEDDY - Your Service Buddy (Master's Project) | React Native, MERN Backend Final Year Project

- Developed a cross-platform mobile roadside assistance app connecting drivers with nearby mechanics in real time using location services.
- Implemented matching mechanisms to solve vehicle breakdown emergency issues in unfamiliar geographic locations.
- Designed a simple, intuitive React Native UI backed by a secure MERN architecture for reliable request and data management.

EDUCATION

Master of Computer Applications (MCA) — CGPA: 9.05/10 2024 – 2026

Kalasalingam Academy of Research and Education
